

Visando uma gestão sustentável e socialmente responsável, a Gabbinetto exige de seus fornecedores as certificações de origem e qualidade dos materiais fornecidos, trabalhando apenas com madeira ecológica proveniente de florestas plantadas, certificadas pelo Conselho de Manejo Florestal, através do Selo Verde. As tintas, diluentes e catalisadores utilizados pela Gabbinetto atendem aos padrões internacionais de segurança, com baixos teores de isocianato (TDI) livre.
